## COASTAL VACATIONS SUCCESS

### Let Me Show You How You Can Get Started...Today!

When the discussion is vacation and business opportunities, everyone knows that the best business opportunity around is Coastal Vacations. No other business opportunity offers its representatives the chance to sell memberships for dream vacation packages worldwide at discount prices. That is, until Coastal Vacations Success...

Like me, you probably became interested in Coastal Vacations because you wanted **PROFITS**. Even if you've been working the system for a while, you may yet to **MAKE MONEY**. This is the unfortunate case for many people using the Coastal Vacations system.

My name is Sara Nightingale and I started Coastal Vacation Success out of frustration with Coastal Vacations. I created a Coastal Vacations resource in the form of *affordable* membership travel packages. I designed Coastal Vacations Success to provide hard-working people like yourself a means of realizing financial goals...right away. After all, I didn't want my program to function like all other Coastal Vacations programs. Coastal Vacations Success is a program dedicated to providing the materials, training, and support for individuals interested in **MAKING MONEY** with the Coastal Vacations system.

#### COASTAL VACATIONS SUCCESS ADVANTAGE: YOU WILL SPEND LESS MONEY

Of course, you know that it takes money to make money, but many of my competitors are offering vacation packages that cost as much as \$11,000! I have found a way to offer just as many benefits (and more) as traditional Coastal Vacation programs, but at a much lower cost. If you are interested in Coastal Vacations, but the expensive investment that is associated with most of the programs has kept you from giving it a try, today is your lucky day! I designed the Coastal Vacations Success program so that EVERYONE COULD AFFORD IT. You no longer have to dream about starting the program...START MAKING MONEY TODAY!

If you are one of the many people who signed up for other Coastal Vacation programs, you probably found yourself spending more money instead of **MAKING MONEY**...the reason you became interested in Coastal Vacations! Plain and simple, my program costs less...a lot less! When you join the Coastal Vacations Success program you can expect to spend **70% less than what traditional Coastal Vacation programs charge!**
